Dear Parents

As you are aware, we are currently following the Government advice regarding coronavirus.

These exceptional circumstances, with such frequent washing of hands, may lead to dry skin issues. Due to our 'Administering Medication' policy, we cannot permit a whole range of different moisturisers to be brought into school. With this in mind, we have purchased moisturiser for the children to use as needed.

The moisturiser we have purchased is:

Childs Farm Moisturiser Dermatologist approved for sensitive and eczema prone skin

More information is available at childsfarm.com

Providing the children with this option will also allow the children to moisturise their hands without causing an undue level of administrative work for the staff. If you would like your child to use the moisturiser during this period, please return the permission slip as soon as possible.

Thank you.

Kind regards

Miss McGroarty
Deputy Headteacher

HERITAGE PARK PRIMARY SCHOOL

Use of Childs Farm Moisturiser

I give permission for my child (child's name)
to use the school purchased Childs Farm moisturiser during the school day.

- By signing this consent form I am agreeing that I am happy for the moisturiser to be self-administered by my child, as required, throughout the school day.
- I understand that at the point I no longer wish my child to be given this moisturiser I will let the school know in writing
