Dear Year 1 Parents

Please find below a summary of the areas the children will be learning about this term.

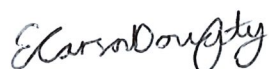

We will be learning about...	
English	How to write farm-themed stories using various books to inspire us, including: Scarecrow's Wedding, A Squash and a Squeeze and Rosie's Walk. We will also be completing some instructional writing about bees and the process for making honey. We will be writing an explanation text about the life cycle of a chick, and finally, we will create poetry using rhyming couplets.
Maths	This term in maths we will learn about multiplication and division. We will count in twos, fives and tens, as well as learning how to double numbers and share into equal groups. We will learn how to find a half and a quarter in our fractions unit. This term, we will also learn about place value within 100. Our other maths units include position and direction, money and time.
Science	Our science unit this term is, 'Animals including humans' and within this, we will learn about the different types of animals, diets of animals and the structure and body parts of animals. We will also learn about our five senses.
Computing	In our computing lesson we will practise our typing skills and experiment with different text effects on the computer. We will also begin to start thinking about coding as we are introduced to animation.
PE	In the first half of the summer term, we will learn about Multiskills and football. During the second half of the term we will complete athletics and hockey games.
Art	Our focus artist this term is Vincent van Gogh and we will be studying his wheat field paintings. We will create our own landscape pictures using painting and collage.
Design and Technology	At the start of this term we will complete our Stable Structures unit and build our toy car garages. Then we will learn about picnic food and create our very own Teddy Bear's Picnic!
Religious Education	In our RE lessons we will be learning about Christianity and study Bible stories about Jesus as a historical person. These will include the Good Samaritan, Feeding the 5000 and the Lost Son.
History	Our topic this term is 'Food and Farming'. In our history lessons we will learn about changes to farming including farm equipment and compare farms from past and present.

Geography	In our geography lessons, we will learn about the growth of crops and where our food comes from. We will study and create our own farm maps. We will also learn about the journey from 'farm to fork'.
PSHE	Our PSHE units this term is 'Managing Change'. We will think about how to cope with different emotions we might experience during different situations.
Music	The children will continue to be taught by Mrs Woolf for music. This term they will use their voices to create different sounds, keep the beat by marching, recognise and repeat short rhythms and use percussion instruments

If you have any questions, please send them to: office@heritagepark.peterborough.sch.uk and these will be forwarded to the class teacher. Please do not contact teachers via google mail service linked to Google Classroom, as these are not in use.

Kind regards

Mrs Carson-Doughty
