Dear Parents/Carers

Thank you very much for completing the Google Form with your views on school trips taking place next half term. We received 151 responses which is much appreciated as it has really helped us to make a more informed decision about whether to book trips and to gain an understanding of parental views on what sort of trips we could offer.

Please find below the responses to the question of 'How do you feel about the possibility of sending your child on a school trip in the second half of the summer term?':

I would not be comfortable sending them next half term	3.4%
I would be willing to send them if it was a predominantly outdoor trip	71.8%
I would be willing to send them if it was a predominantly indoor trip	45.6%
I would prefer the trip to be local	24.2%
I would not mind if the trip was a little further away	76.5%
I would be happy for them to travel by coach	94%
I would not be happy for them to travel by coach	0%

As the vast majority of parents are happy to go ahead, with many very keen for their children to regain as much normality as possible, we will be looking to book trips for all classes. Letters regarding the trip for each year group will follow in due course. We will aim for all trips to be predominantly outdoors.

Each trip will be carefully risk assessed but children will not be required to wear masks during these visits. The trips will be supervised by staff members only at this time.

Yours sincerely

Miss K Bell
Headteacher
