

Times tables at Heritage Park Primary

In the table below are the National Curriculum times tables end of year expectations for each year group. Children regularly work on times tables in school, but it is important for them to practice at home too. Therefore, homework is often focused on helping the children to achieve these goals.

Year group	Expectation by the end of the year
Year 1	Count in multiples of 2,5 and 10. Recall and use doubles of numbers to 10 and corresponding halves.
Year 2	Recall and use multiplication and division facts for the 2,5, and 10 tables, including off and even numbers.
Year 3	Recall and use the multiplication and division facts for the 3, 4 and 8 times tables.
Year 4	Recall and use multiplication and division facts for multiplication tables up to 12 x 12
Year 4 – National Test - MTC (The Multiplication Tables Check) takes place - June	
Year 5	Apply times table knowledge to fractions, decimals and multiplication larger numbers
Year 6	Apply times table knowledge to fractions, decimals and multiplication larger numbers.

There are several websites that can be used to help learn times tables:

KS1

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

<https://www.multiplication.com/games>

<https://www.timestables.co.uk/>

KS2

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

<https://www.maths-games.org/times-tables-games.html>

<http://www.teachingtables.co.uk/>

<https://www.multiplication.com/games>

<https://www.timestables.co.uk/speed-test/>

<https://www.timestables.co.uk/>

There are also plenty of apps that can be useful. Here are just three, but there are lots of different, free apps available.

- 10 minutes a day times tables (by DK)
- Times table maths for kids (speedymind LLC)
- Times tables 12x12 (Andrey Feldman)
